

ON-TRACK PLANT 2009

ON-TRACK PLANT 2009 is the 10th and latest edition in the series of books first published over 27 years ago. It is the definitive guide to rail-mounted and self-propelled equipment specifically used for working on, or assisting in, the maintenance and renewal of the railway infrastructure in Great Britain.

It is a full colour 304 page thread-sewn publication with over 650 colour illustrations. Included within it are comprehensive details of:

- Large plant.
- Small plant.
- Owner listings.
- Road/rail plant.
- Manufacturer details.
- Disposals.
